

## EXPRESSIONS OF INTEREST - P6 COMPETITORS

Please complete the fields below and email to Jason Light at: [jasontravellight@hotmail.com](mailto:jasontravellight@hotmail.com) by 30th September. As a current P6 rider I am collating info that we can present to promoters and clubs in order to see P6 considered at major events. To say yes, we have a few P6 guys who will turn up won't cut it, we need to give them evidence of numbers, classes and intentions. Any questions whatsoever email or call me on 03 9598 4065 (AH) or 0401151995. Most importantly, please pass this on to any other riders who have P6 bikes *or are considering racing one*. Type in the spaces available or print out, fill in and email scan back, whatever you prefer.
